Graduation Rates

The information in this section comes from the IPEDS Graduation Rate Survey (GRS). For complete instructions and definitions of data elements, see the IPEDS GRS instructions and glossary.

For Bachelor's or Equivalent Programs

Report for the cohort of full-time first-time bachelor's (or equivalent) degree-seeking undergraduate students who entered in fall 1992. Include in the cohort those who entered your institution during the summer term preceding fall 1992.

B4. Initial 1992 cohort of first-time, full-time bachelor's (or equivalent) degree-seeking undergraduate students; total all students: 2132
(IPEDS GRS, Section II, Part A, line 10, sum of columns 15 and 16)

B5. Of the initial 1992 cohort, how many did not persist and did not graduate for the following reasons: deceased, permanently disabled, armed forces, foreign aid service of the federal government, or official church missions; total allowable exclusions: 4
(IPEDS GRS, Section II, Part C, line 45, sum of columns 15 and 16)

Common Data Set: 1998-1999

- B6.** Final 1992 cohort, after adjusting for allowable exclusions: 2128
(Subtract question B5 from question B4)
- B7.** Of the initial 1992 cohort, how many completed the program in four years or less (by August 31, 1996): 393
(IPEDS GRS, Section II, Part A, line 19, sum of columns 15 and 16)
- B8.** Of the initial 1992 cohort, how many completed the program in more than four years but in five years or less (after August 31, 1996 and by August 31, 1997): 418
(IPEDS GRS, Section II, Part A, line 20, sum of columns 15 and 16)
- B9.** Of the initial 1992 cohort, how many completed the program in more than five years but in six years or less (after August 31, 1997 and by August 31, 1998): 110
(IPEDS GRS, Section II, Part A, line 21, sum of columns 15 and 16)
- B10.** Total graduating within six years (sum of questions B7, B8, and B9): 921
(IPEDS GRS, Section II, Part A, line 18, sum of columns 15 and 16)
- B11.** Six-year graduation rate for 1992 cohort (question B10 divided by question B6): 43.3%

For Two-Year Institutions:

The information in this section comes from the IPEDS Graduation Rate Survey (IPEDS GRS-2). For complete instructions and definitions of data elements, see the IPEDS GRS-2 instructions and glossary.

- B12.** Initial 1995 cohort, total of first-time, full-time degree/certificate-seeking students: N/A
(IPEDS GRS-2, Section III, line 10, sum of columns 15 and 16)
- B13.** Of the initial 1995 cohort, how many did not persist and did not graduate for the following reasons: deceased, permanently disabled, armed forces, foreign aid service of the federal government, or official church missions); total allowable exclusions: N/A
(IPEDS GRS-2, Section III, line 45, sum of columns 15 and 16)
- B14.** Final 1995 cohort, after adjusting for allowable exclusions: N/A
(Subtract question B13 from question B12)
- B15.** Completers of programs of less than two years duration (total): N/A
(IPEDS GRS-2, Section III, line 11, sum of columns 15 and 16)
- B16.** Completers of programs of less than two years within 150 percent of normal time: N/A
(IPEDS GRS-2, Section III, line 11A, sum of columns 15 and 16)
- B17.** Completers of programs of at least two but less than four years (total): N/A
(IPEDS GRS-2, Section III, line 12, sum of columns 15 and 16)
- B18.** Completers of programs of at least two but less than four-years within 150 percent of normal time: N/A
(IPEDS GRS-2, Section III, line 12A, sum of columns 15 and 16)
- B19.** Total transfers-out (within three years) to other institutions: N/A
(IPEDS GRS-2, Section III, line 30, sum of columns 15 and 16)
- B20.** Total transfers to two-year institutions: N/A
(IPEDS GRS-2, Section III, line 32, sum of columns 15 and 16)
- B21.** Total transfers to four-year institutions: N/A
(IPEDS GRS-2, Section III, line 33, sum of columns 15 and 16)

Common Data Set: 1998-1999

Retention Rates

Report for the cohort of all full-time, first-time bachelor's (or equivalent) degree-seeking undergraduate students who entered in fall 1997 (or the preceding summer term). The initial cohort may be adjusted for students who departed for the following reasons: deceased, permanently disabled, armed forces, foreign aid service of the federal government or official church missions. No other adjustments to the initial cohort should be made.

B22. For the cohort of all full-time bachelor's (or equivalent) degree-seeking undergraduate students who entered your institution as freshmen in fall 1997 (or the preceding summer term), what percentage was enrolled at your institution as of the date your institution calculates its official enrollment in fall 1998? 74%

C. FIRST-TIME, FIRST-YEAR (FRESHMAN) ADMISSION

Applications

C1. First-time, first-year (freshman) students: Provide the number of degree-seeking students who applied, were admitted, and enrolled (full- or part-time) in fall 1998. Include early decision, early action, and students who began studies during summer in this cohort. Applicants include all students who fulfilled the requirements for consideration for admission (including payment or waiving of the application fee, if any) and who have been notified of one of the following actions: admission, nonadmission, placement on waiting list, or application withdrawn (by applicant or institution). Admitted applicants should include wait-listed students who were subsequently offered admission.

Total men applied 2389

Total women applied 2487

Total men admitted 2081

Total women admitted 2228

Total full-time, first-time, first-year (freshman) men enrolled 1225

Total part-time, first-time, first-year (freshman) men enrolled 36

Total full-time, first-time, first-year (freshman) women enrolled 1257

Total part-time, first-time, first-year (freshman) women enrolled 38

C2. Freshman wait-listed students (students who met admission requirements but whose final admission was contingent on space availability)

Do you have a policy of placing students on a waiting list? Yes: ___ No: X

If yes, please answer the questions below for fall 1998 admissions:

Number of qualified applicants placed on waiting list _____

Number accepting a place on the waiting list _____

Number of wait-listed students admitted _____

Admission Requirements

C3. High school completion requirement

Check the appropriate box to identify your high school completion requirement for degree-seeking entering students:

High school diploma is required and GED is accepted

High school diploma is required and GED is not accepted

High school diploma or equivalent is not required

C4. Does your institution require or recommend a general college-preparatory program for degree-seeking students?

Required

Recommended

Neither required nor recommended

Common Data Set: 1998-1999

C5. Distribution of high school units required and/or recommended. Specify the distribution of academic high school course units required and/or recommended of all or most degree-seeking students using Carnegie units (one unit equals one year of study or its equivalent). If you use a different system for calculating units, please convert.

Basis for Selection

C6. Do you have an open admission policy, under which virtually all secondary school graduates or students with GED equivalency diplomas are admitted without regard to academic record, test scores, or other qualifications? If so, check which applies:

- Open admission policy as described above for all students___
- Open admission policy as described above for most students, but selective admission for out-of-state students___
- selective admission to some programs___
- other (explain) Entering freshman applicants are reviewed on an individual basis. A combination of grade-point average, class rank, ACT or SAT scores, a personal essay, and evidence of a commitment to success are used to determine admissibility.

C. Latest date by which SAT I or ACT scores must be received for fall-term admission: August 15

Latest date by which SAT II scores must be received for fall-term admission _____

D. If necessary, use this space to clarify your test policies (e.g., if tests are recommended for some students, or if tests are not required of some students): _____

Common Data Set: 1998-1999

Freshman Profile

Provide percentages for **ALL enrolled degree-seeking full-time and part-time, first-time, first-year (freshman) students** enrolled in fall 1998, including students who began studies during summer, international students/nonresident aliens, and students admitted under special arrangements.

C9. Percent and number of first-time, first-year (freshman) students enrolled in fall 1998 who submitted national standardized (SAT/ACT) test scores. Include information for **ALL enrolled, first-time, first-year (freshman) degree-seeking students who submitted test scores.** Do not include partial test scores (e.g., mathematics scores but not verbal for a category of students) or combine other standardized test results (such as TOEFL) in this item. SAT scores should be recentered scores. The 25th percentile is the score that 25 percent scored at or below; the 75th percentile score is the one that 25 percent scored at or above.

Percent submitting SAT scores	<u>18.5%</u>	Number submitting SAT scores	<u>472</u>

C10. Percent of all degree-seeking, first-time, first-year (freshman) students who had high school class rank within each of the following ranges (report information for those students from whom you collected high school rank information).

Percent in top 10th of high school graduating class	<u>31.7%</u>
Percent in top quarter of high school graduating class	<u>60.7%</u>
Percent in top half of high school graduating class	<u>86.3%</u>
Percent in bottom half of high school graduating class	<u>13.7%</u>
Percent in bottom quarter of high school graduating class	<u>1.6%</u>

Percent of total first-time, first-year (freshman) students who submitted high school class rank: 87.9%

Common Data Set: 1998-1999

C11. Percentage of all enrolled, degree-seeking first-time, first-year (freshman) students who had high school grade-point averages within each of the following ranges (using 4.0 scale); report information only for those students from whom you collected high school GPA.

Percent who had GPA of 3.0 and higher	<u>80.7%</u>
Percent who had GPA between 2.0 and 2.9	<u>19.2%</u>
Percent who had GPA between 1.0 and 1.99	<u>0.1%</u>
Percent who had GPA below 1.0	<u>0.0%</u>

C12. Average high school GPA of all degree-seeking first-time, first-year (freshman) students who submitted GPA: 3.46

Percent of total first-time, first-year (freshman) students who submitted high school GPA: 98.4%

Admission Policies

C13. Application fee

Does your institution have an application fee? Yes No

Amount of application fee: \$30

Can it be waived for applicants with financial need? Yes No

C14. Application closing date

Does your institution have an application closing date? Yes No

Application closing date (fall): August 15

Priority date: February 15

Note: For scholarship eligibility.

C15. Are first-time, first-year students accepted for terms other than the fall? Yes No

C16. Notification to applicants of admission decision sent (*fill in one only*)

On a rolling basis beginning (date): October 1

By (date) _____

Other: Notified by April 15 if priority date of February 15 is met.

C17. Reply policy for admitted applicants (*fill in one only*)

Must reply by (date): _____

No set date: _____

Must reply by May 1 or within 2 weeks if notified thereafter

Other _____

C18. Deferred admission: Does your institution allow students to postpone enrollment after admission?

Yes No

If yes, maximum period of postponement: 1 year

Note: New students must reapply after postponing enrollment one semester and are re-charged the admission fee.

International students must reapply for admission after postponing enrollment one or more semesters but are not charged another admission fee unless two years have elapsed.

C19. Early admission of high school students: Does your institution allow high school students to enroll as full-time, first-time, first-year (freshman) students one year or more before high school graduation? Yes No

C20. Common application: Will you accept the Common Application distributed by the National Association of Secondary School Principals if submitted? Yes No

If "yes," are supplemental forms required? Yes No

Is your college a member of the Common Application Group? Yes No

Common Data Set: 1998-1999

Early Decision and Early Action Plans

C21. Early decision: Does your institution offer an early decision plan (an admission plan that permits students to apply and be notified of an admission decision well in advance of the regular notification date and that asks students to commit to attending if accepted) for first-time, first-year (freshman) applicants for fall enrollment? Yes No

If "yes," please complete the following:

First or only early decision plan closing date _____

First or only early decision plan notification date _____

Other early decision plan closing date _____

Other early decision plan notification date _____

Number of early decision applications received by your institution in Fall 1998 _____

Number of applicants admitted under early decision plan in Fall 1998 _____

Please provide significant details about your early decision plan: _____

C22. Early action: Do you have a non-binding early action plan whereby students are notified of an admission decision well in advance of the regular notification date but do not have to commit to attending your college? Yes No

If "yes," please complete the following:

Early action closing date _____

Early action notification date _____

D. TRANSFER ADMISSION

Fall Applicants

D1. Does your institution enroll transfer students? Yes No

(If no, please skip to Section E)

If yes, may transfer students earn advanced standing credit by transferring credits earned from course work completed at other colleges/universities? Yes No

D2. Provide the number of students who applied, were admitted, and enrolled as degree-seeking transfer students in fall 1998.

	Applicants	Admitted applicants	Enrolled applicants
Men	965	753	633
Women	919	740	573
Total	1884	1493	1206

Application for Admission

D3. Indicate terms for which transfers may enroll:

Fall Winter Spring Summer

D4. Must a transfer applicant have a minimum number of credits completed or else must apply as an entering freshman?

Yes No

If yes, what is the minimum number of credits and the unit of measure? 24 transferable semester hours

Common Data Set: 1998-1999

D5. Indicate all items required of transfer students to apply for admission:

	Required of all	Recommended of all	Recommended of some	Required of some	Not required
High school transcript				Students with less than 24 transferable credit hours.	
College transcript(s)	X				
Essay or personal statement		X			
Interview					X
Standardized test scores				Students with less than 24 transferable credit hours.	
Statement of good standing from prior institution(s)	X*				

* For non-degree visiting students only.

D6. If a minimum high school grade point average is required of transfer applicants, specify (on a 4.0 scale): Varies depending on the number of hours being transferred. (If less than 24 hours then high school grade point of 3.0 and SAT or ACT.)

D7. If a minimum college grade point average is required of transfer applicants, specify (on a 4.0 scale): 2.0

D8. List any other application requirements specific to transfer applicants: Application and fee

D9. List application priority, closing, notification, and candidate reply dates for transfer students. If applications are reviewed on a continuous or rolling basis, place a check mark in the "Rolling admission" column.

	Priority date	Closing date	Notification date	Reply date	Rolling admission
Fall	March 15	August 15			X
Winter					
Spring		January 1			X
Summer	March 1				

D10. Does an open admission policy, if reported, apply to transfer students? Yes No

D11. Describe additional requirements for transfer admission, if applicable:

Transfers are accepted from accredited institutions only.

Transfer Credit Policies

D12. Report the lowest grade earned for any course that may be transferred for credit: 2.0

D13. Maximum number of credits or courses that may be transferred from a two-year institution:

Number: 68

Unit type: Credit hour / Semester

D14. Maximum number of credits or courses that may be transferred from a four-year institution:

Number: 68 (freshmen and sophomore only)

Unit type: Semester

D15. Minimum number of credits that transfers must complete at your institution to earn an associate degree: Not Applicable

D16. Minimum number of credits that transfers must complete at your institution to earn a bachelor's degree: 30

D17. Describe other transfer credit policies:

Nothing below a "C", no remediation courses, every course is reviewed for its academic content, grades do not

Common Data Set: 1998-1999

transfer - only the credit(s). We have course equivalencies with all of the 2 and 4 year public institutions in Arkansas and have articulation agreements with several institutions in neighboring states and have evaluated four overseas institutions.

G. ANNUAL EXPENSES

Provide 1999-2000 academic year costs for the following categories that are applicable to your institution.

G1. Undergraduate full-time tuition, required fees, room and board

List the typical tuition, required fees, and room and board for a full-time undergraduate student for the FULL 1999-2000 academic year. A full academic year refers to the period of time generally extending from September to June; usually equated to two semesters or trimesters, three quarters, or the period covered by a four-one-four plan. Room and board is defined as double occupancy and 19 meals per week or the maximum meal plan. **Required fees** include only charges that all full-time students must pay that are *not* included in tuition (e.g., registration, health, or activity fees.) Do *not* include optional fees (e.g., parking, and laboratory use).

FINANCIAL AID DEFINITIONS

Financial aid applicant: Any applicant who submits **any one of** the institutionally required financial aid applications/forms, such as the FAFSA.

Indebtedness: Aggregate dollar amount borrowed by the student.

Institutional and external funds: Endowment, alumni, or external monies for which the institution determines the recipient and the dollar amount awarded.

Financial need: As determined by your institution using the federal methodology and/or your institution's own standards.

Need-based aid: College-funded or college-administered award from institutional, state, federal, or other sources for which a student must have financial need to qualify. This includes both institutional and noninstitutional student aid (grants, jobs, and loans).

Need-based gift aid: Scholarships and grants from institutional, state, federal, or other sources for which a student must have financial need to qualify.

Non-need-based gift aid: Scholarships and grants, gifts, or merit-based aid from institutional, state, federal, or other sources (including unrestricted funds or gifts and endowment income) awarded solely on the basis of academic achievement, merit, or any other non-need-based reason. When reporting questions H1 and H2, non-need-based aid that is used to meet need should be counted as need-based aid.

Note: Suggested order of precedence for counting non-need money as need-based:

Non-need institutional grants

Non-need tuition waivers

Non-need athletic awards

Non-need federal grants

Non-need state grants

Non-need outside grants

Non-need student loans

Non-need parent loans

Non-need work

Scholarships/grants from external sources: Monies received from outside (private) sources that the student brings with them (e.g., Kiwanis, NMSQT scholarships). The institution may process paperwork to receive the dollars, but it has no role in determining the recipient or the dollar amount awarded.

Self-help aid: Need-based loans and jobs up to the level of institutionally determined need.

Work study and employment: Federal and state work study aid, and any employment packaged by your institution in financial aid awards.

Common Data Set Definitions

Note: Items preceded by an asterisk (*) represent definitions agreed to among publishers which do not appear on the CDS document but may be present on individual publishers' surveys.

***Academic advisement:** Plan under which each student is assigned to a faculty member or a trained advisor, who, through regular meetings, helps the student plan and implement immediate and long-term academic and vocational goals.

Accelerated program: Completion of a college program of study in fewer than the usual number of years, most often by attending summer sessions and carrying extra courses during the regular academic term.

Admitted student: Applicant who is offered admission to a degree-granting program at your institution.

***Adult student services:** Admission assistance, support, orientation, and other services expressly for adults who have started college for the first time, or who are re-entering after a lapse of a few years.

American Indian or Alaska native: A person having origins in any of the original peoples of North America and who maintains cultural identification through tribal affiliation or community recognition.

Applicant (first-time, first-year): An individual who has fulfilled the institution's requirements to be considered for admission (including payment or waiving of the application fee, if any) and who has been notified of one of the following actions: admission, nonadmission, placement on waiting list, or application withdrawn (by applicant or institution).

Application fee: That amount of money that an institution charges for processing a student's application for acceptance. This amount is *not* creditable toward tuition and required fees, nor is it refundable if the student is not admitted to the institution.

Asian or Pacific Islander: A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or Pacific Islands. This includes people from China, Japan, Korea, the Philippine Islands, American Samoa, India, and Vietnam.

Associate degree: An award that normally requires at least two but less than four years of full-time equivalent college work.

Bachelor's degree: An award (baccalaureate or equivalent degree, as determined by the Secretary of the U.S. Department of Education) that normally requires at least four years but *not* more than five years of full-time equivalent college-level work. This includes ALL bachelor's degrees conferred in a five-year cooperative (work-study plan) program. (A cooperative plan provides for alternate class attendance and employment in business, industry, or government; thus, it allows students to combine actual work experience with their college studies.) Also, it includes bachelor's degrees in which the normal four years of work are completed in three years.

Black, non-Hispanic: A person having origins in any of the black racial groups of Africa (except those of Hispanic origin).

Board (charges): Assume average cost for 19 meals per week or the maximum meal plan.

Books and supplies (costs): Average cost of books and supplies. Do not include unusual costs for special groups of students (e.g., engineering or art majors), unless they constitute the majority of students at your institution.

Calendar system: The method by which an institution structures most of its courses for the academic year.

***Career and placement services:** A range of services, including (often) the following: coordination of visits of employers to campus; aptitude and vocational testing; interest inventories, personal counseling; help in resume writing, interviewing, launching the job search; listings for those students desiring employment and those seeking permanent positions; establishment of a permanent reference folder; career resource materials.

Carnegie units: One year of study or the equivalent in a secondary school subject.

Certificate: See **Postsecondary award, certificate, or diploma.**

Class rank: The relative numerical position of a student in his or her graduating class, calculated by the high school on the basis of grade-point average, whether weighted or unweighted.

College-preparatory program: Courses in academic subjects (English, history and social studies, foreign languages, mathematics, science, and the arts) that stress preparation for college or university study.

Common Data Set: 1998-1999

Common Application: The standard application form distributed by the National Association of Secondary School Principals for a large number of private colleges who are members of the Common Application Group.

***Community service program:** Referral center for students wishing to perform volunteer work in the community or participate in volunteer activities coordinated by academic departments.

Commuter: A student who lives off campus in housing that is not owned by, operated by, or affiliated with the college. This category includes students who commute from home and students who have moved to the area to attend college.

Contact hour: A unit of measure that represents an hour of scheduled instruction given to students. May also be called clock hour.

Continuous basis (for program enrollment): A calendar system classification that is used by institutions that enroll students at any time during the academic year. For example, a cosmetology school or a word processing school might allow students to enroll and begin studies at various times, with no requirement that classes begin on a certain date.

Cooperative housing: College-owned, -operated, or -affiliated housing in which students share room and board expenses and participate in household chores to reduce living expenses.

Cooperative (work-study plan) program: A program that provides for alternate class attendance and employment in business, industry, or government.

Core curriculum: A specified number of courses or credits in the humanities, social sciences, life sciences, and/or physical sciences required of all students, regardless of major, to ensure a basic set of learning experiences.

***Counseling service:** Activities designed to assist students in making plans and decisions related to their education, career, or personal development.

Credit: Recognition of attendance or performance in an instructional activity (course or program) that can be applied by a recipient toward the requirements for a degree, diploma, certificate, or other formal award.

Credit course: A course that, if successfully completed, can be applied toward the number of courses required for achieving a degree, diploma, certificate, or other formal award.

Credit hour: A unit of measure representing an hour (50 minutes) of instruction over a 15-week period in a semester or trimester system or a 10-week period in a quarter system. It is applied toward the total number of hours needed for completing the requirements of a degree, diploma, certificate, or other formal award.

Cross-registration: A system whereby students enrolled at one institution may take courses at another institution without having to apply to the second institution.

Deferred admission: The practice of permitting admitted students to postpone enrollment, usually for a period of one academic term or one year.

Degree: An award conferred by a college, university, or other postsecondary education institution as official recognition for the successful completion of a program of studies.

Degree-seeking students: Students enrolled in courses for credit who are recognized by the institution as seeking a degree or formal award. At the undergraduate level, this is intended to include students enrolled in vocational or occupational programs.

Differs by program (calendar system): A calendar system classification that is used by institutions that have occupational/vocational programs of varying length. These schools may enroll students at specific times depending on the program desired. For example, a school might offer a two-month program in January, March, May, September, and November; and a three-month program in January, April, and October.

Diploma: See **Postsecondary award, certificate, or diploma.**

Distance learning: An option for earning course credit at off-campus locations via cable television, internet, satellite classes, videotapes, correspondence courses, or other means.

Doctoral degree: The highest award a student can earn for graduate study. The doctoral degree classification includes such degrees as Doctor of Education, Doctor of Juridical Science, Doctor of Public Health, and the Doctor of Philosophy degree in any field such as agronomy, food technology, education, engineering, public administration, ophthalmology, or radiology. For the Doctor of Public Health degree, the prior degree is generally earned in the closely related field of medicine or in sanitary engineering.

Common Data Set: 1998-1999

Double major: Program in which students may complete two undergraduate programs of study simultaneously.

Dual enrollment: A program through which high school students may enroll in college courses while still enrolled in high school. Students are not required to apply for admission to the college in order to participate.

Early action plan: An admission plan that allows students to apply and be notified of an admission decision well in advance of the regular notification dates. If admitted, the candidate is not committed to enroll; the student may reply to the offer under the college's regular reply policy.

Early admission: A policy under which students who have not completed high school are admitted and enroll full time in college, usually after completion of their junior year.

Early decision plan: A plan that permits students to apply and be notified of an admission decision (and financial aid offer if applicable) well in advance of the regular notification date. Applicants agree to accept an offer of admission and, if admitted, to withdraw their applications from other colleges. There are three possible decisions for early decision applicants: admitted, denied, or not admitted but forwarded for consideration with the regular applicant pool, without prejudice.

English as a Second Language (ESL): A course of study designed specifically for students whose native language is not English.

Exchange student program—domestic: Any arrangement between a student and a college that permits study for a semester or more at another college **in the United States** without extending the amount of time required for a degree. **See also study abroad.**

External degree program: A program of study in which students earn credits toward a degree through independent study, college courses, proficiency examinations, and personal experience. External degree programs require minimal or no classroom attendance.

Extracurricular activities (as admission factor): Special consideration in the admissions process given for participation in both school- and nonschool-related activities of interest to the college, such as clubs, hobbies, student government, athletics, performing arts, etc.

First professional certificate (postdegree): An award that requires completion of an organized program of study designed for persons who have completed the first professional degree. Examples could be refresher courses or additional units of study in a specialty or subspecialty.

First professional degree: An award in one of the following fields: Chiropractic (DC, DCM), dentistry (DDS, DMD), medicine (MD), optometry (OD), osteopathic medicine (DO), rabbinical and Talmudic studies (MHL, Rav), pharmacy (BPharm, PharmD), podiatry (PodD, DP, DPM), veterinary medicine (DVM), law (LLB, JD), divinity/ministry (BD, MDiv).

First-time student: A student attending any institution for the first time at the level enrolled. Includes students enrolled in the fall term who attended a postsecondary institution for the first time at the same level in the prior summer term. Also includes students who entered with advanced standing (college credit earned before graduation from high school).

First-time, first-year (freshman) student: A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school).

First-year student: A student who has completed less than the equivalent of one full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours.

Freshman: A first-year undergraduate student.

***Freshman/new student orientation:** Orientation addressing the academic, social, emotional, and intellectual issues involved in beginning college. May be a few hours or a few days in length; at some colleges, there is a fee.
